COURSES OFFERED

BBA | MBA | BCA | B.COM | PGDCA

Bachelor of Business Administration (BBA)

Eligibility - A candidate must have passed the 10+2 examination (Arts/Science/Computer) or equivalent by securing 48% or more (minimum pass marks for SC/ST/OBC/SBC Candidates) in aggregate without any approximations.

Admission through: Direct on Merit Basis.

Bachelor of Business Administration is an undergraduate management course. The course is spread across 3-4 years, and is divided into a number of semesters.

TCBS follows the norms of UOR, Jaipur for the conduct of examinations & declaration of results which is at the sole discretion of UOR, Jaipur.

The curriculum is flexible and includes lectures, case studies, role-plays, and integrative exercises. The focus of teaching the students of BBA is to build up their ability to solve various problems associated with business enterprises. Students get a platform to make them familiar with the fast-changing global business scenario.

When opting for BBA, a candidate must note that the course is not subject specific. Apart from the compulsory subjects, students get the advantage of choosing combinations of different subjects – these combinations vary depending upon the subjects offered by a particular institute.

Application Form:	1,000 (One Time)
Registration Fee:	15,000 (One Time)*
Tuition Fees:	60,000
Total Course Fees:	75,000

Master of Business Administration (MBA- Dual Specialization)

Eligibility - Graduate (10+2+3) degree or equivalent from any recognized University with at least 50% marks in aggregate (45% in case of SC/ST and OBC candidates) having any subject in the Graduate Examination

Admission through:
CMAT-RAJ/ Management Quota on Merit.

The TC Business School is one of the best dual specialization in MBA colleges that offers specialization in two functional areas of management between Human Resources, Marketing and Finance, i.e., students can choose to specialize in either HR & Marketing, HR & Finance, or Marketing & Finance, Business Analytics & Information Technology, Operations & Supply Chain management

Learning Perspective

By imparting specializations in two functional areas, the course seeks to provide those management skills to the students that make them more adaptable to and employable in the corporate sector. The course offered at one of the best dual specializations in MBA colleges has a strong industry interface and industry- oriented pedagogy designed to develop critical skills needed for specific fields through case study analysis, workshops, seminars and industrial visits. It integrates theory and practice in a multi-functional framework to handle complex management issues through Project Work and Field Assignments with the help of this course, the students are geared to grasp complex theoretical formulations and their applications in ground realities through simulation models.

Application Form:	1,000.00 (One Time)
Registration Fee:	25,000.00(One Time)*
Tuition Fees:	2,20,000.00

2. Python Programming
3. Data Communication And Computer Networks
4. Artificial Intelligence
5. Digital Marketing
6. Elective-III

STPT

1. Web Development in PHP (Cr.)
2. Programming in Core JAVA (Cr.)
3. Networking and Hardware Technologies (Cr.)
4. Live Project
5. Interview Sessions

Practical

1. Java lab
2. Python lab
3. Digital Marketing lab
4. Project

Workshop / Seminar

1. Artificial Intelligence
2. Machine Learning
3. Python
4. Block chain

Career Prospects

Web Designer • Network Administrator • Web Developer • System Manager • Software Developer • Software Tester • Computer Programmer

There are so many things a student can do after a BCA.

You can pursue the following courses:

- Master in computer application (MCA)
- Master in information management
- Master in computer management
- Information Security Management
- Certified Network Professional
- Master's in Business Administration

Bachelor of Commerce (B.Com)

Eligibility - A candidate must have passed the 10+2 examination (Arts/Science/Computer) or equivalent by securing 48% or more (minimum pass marks for SC/ST/OBC/SBC Candidates) in aggregate without any approximations.

A Bachelor of Commerce, abbreviated as B.Com is an undergraduate degree in commerce and related subjects. The course is designed to provide students with a wide range of managerial skills and understanding in streams like finance, accounting, taxation and management". The Bachelor of Commerce degree is designed to provide students with a wide range.

Regular workshops, seminars, symposiums and conferences to orient the students towards commerce sectors such as banking and insurance, risk and investment management, portfolio management, database management and others. Makes students ready for both corporate employment and entrepreneurship.

Application Form:	500 (One Time)
Registration Fee:	1500 (One Time)*
Blazer (Stitched) Fees:	2,500 (One Time)
Tuition Fees:	17,500.00

Apart from the above fees mentioned, students have to pay examination fees per year as per Norms.

Note: Rupees 50 per day late fine will be charged if the fee payment is not done as the schedule above.

PGDCA

Eligibility - Graduate (10+2+3) degree or equivalent from any recognized University with at least 50% marks in aggregate (45% in case of SC/ST and OBC candidates) having any subject in the Graduate Examination.

The full form of PGDCA is Post Graduate Diploma in Computer Application. PGDCA is a one-year (with two semesters) postgraduate course offered by many Universities in India recognized by UGC. To enroll for this course, a person must be a graduate. The course aimed to provide technical, communication and professional skills for professional experience in the sector of computer science.

The term PGDCA stands for Post Graduate Diploma in Computer Application. The course covers different topics from the field of computer science. Some of the most common areas covered are Java, C++, Tally, Oracle-VB, web designing, etc.

Thus the course having pgdca full form is very important for a candidate wanting to make a career in the field of computer science. However, it is essential to note that a graduate of any field is eligible for the course. This increases the demand for the course.

Topics Covered by PGDCA

A candidate should always develop an idea of the topics covered before starting any course. The important topics covered by the course having a full form of pgdca degree are Java, C++, System Analysis, Tally, Oracle-VB, Data Processing, Windows Operating System, Ms-Dos, etc. Proper knowledge about these topics is extremely important in the present era

Duration of the PGDCA Course

It will take about 1 year for the candidate to finish a course having pgdca full form in english. The period is divided into two semesters, and each semester lasts for about two months

Application Form:	500 (One Time)
Registration Fee:	1500 (One Time)*
Tuition Fees:	20,000.00

Apart from the above fees mentioned, students have to pay examination fees per year as per Norms.

Note: Rupees 50 per day late fine will be charged if the fee payment is not done as the schedule above.

REFUND POLICIES

- If application of withdrawal received @ Admission Cell Deduction to be made
 - Minimum deduction of INR 5000 will be done against cancellation
- Any admission after 30 days of commencement of class will not be eligible for any refund of any sort

PLACEMENTS

PACKAGE DURING PLACEMENT

Minimum Package -3 LPA to 4 LPA • Average Package - 5 LPA to 7 LPA • Highest Package - 12 LPA to 17 LPA

REVIEWS

GUNGUN JAIN

I am the student of the 'TCBS' the school of business from BBA section. I like to come here due to many reasons: First of all the day I entered in the college I love the environment of this and still also I like to move into the college daily not a single day my choice didn't become down that today I am not liking this. Secondly, all the teachers are performing their jobs in the outstanding manner also the students are enjoying the classes in academics as well as in other activities. Thirdly, we also can play games after the college or in lunchtime from our choice. 🌟🌟🌟🌟

VEDANT JAIN

It's a very good college for any stream. College infrastructure, facilities, equipment is really good. Faculty is also supportive. Well equipped laboratory. 🌟🌟🌟🌟

ARSHI ANJUM

I'm pursuing BBA from tc business school and all subject teachers provides knowledge in better understanding methods and one on one mentoring is provided for each student. It provides clean environment. 🌟🌟🌟🌟

ANSHIKA MEHTA

Hey this is anshika, currently pursuing MBA, I would like to thnx to director sir/mam, and also all the dignities for organizing such a wonderful workshop for the students, great days with full of enjoyment. 🌟🌟🌟🌟

Students are highly motivated. After studying from this college you will be transformed into a totally different person.....Tc business school is one of the best colleges with very good faculty. All streams are very good.

ADITYA SAIN

Teachers of our college are well qualified and understanding. I would rate 5 stars for this college and teaching quality. The course curriculum is relevant. If you honestly work in your fields, then I am telling you surely you will get selected in good industries

HEIZEL

We are going to iim ahemdabad trip we are very enjoying our trip is gonebe very comfortable and one thing is that tcbs faculty is very fantastic and fabulous

YATIN GUPTA

Absolutely satisfied with the curriculum of college and placements of the college. Placements: I am pursuing my MBA and after consulting with my senior batch about placements I have analysed that they have an extremely nice placement as compared to other management colleges.

ADITYA SAIN
